

Accommodation

With only 4 beachfront Safari Cabins available for a maximum of 8 guests at any one time, Wilderness Island offers you your own private island.

Our camp offers simple functional facilities designed to minimise any human impact on the fragile natural environment, whilst also ensuring you are very comfortable throughout your stay. The Safari Cabins

The spacious beachfront Safari Cabins sleep two people comfortably and offer beautiful views over the ocean where you can be at one with nature.

With showers on the beach looking out at the ocean the Safari Cabins include mosquito screens and comfortable bedding with linen provided.

Of course if you would like to sleep under the Southern Cross in a swag under the stars we can get that arranged for you! The Main Camp

The hub of the Wilderness Island is the main camp, offering lounge, dining tent, elevated sun deck and a well appointed kitchen where meals are prepared. The views from the sun deck are simply stunning and a perfect place to enjoy a drink at the end of the day to watch to magnificent sunsets over water.

The main camp is solar powered and fully self contained providing fresh drinking water, gas stove, refrigerator, freezer, 12 volt lights and 12 volt power. You can view photos of the Main Camp and Safari Cabins in the Image Gallery.
